24-Month Rate Guarantee

Thank you for choosing Assurant Health for your health insurance coverage. The individual medical plan you chose comes with a 24-month rate guarantee. This means your rates are guaranteed to remain the same for 24 months from your effective date.

Your plan offers you protection and peace of mind, and the 24-month rate guarantee means you can count on that protection at the same rate for two full years.

Please Note: Changes you make to your plan during this 24-month period, such as benefit changes, adding or removing covered dependents or an address change, may affect your continued rate guarantee eligibility or premium amount.

Thank you for choosing Assurant Health.
We look forward to serving your health insurance needs.
